Rules: To be expressed to patrons upon entering:

- No one under the age of 7 years old can enter the pool area without an adult present
- No flotation devices (including bathing suits with built-in flotation devices) are allowed in the pool area
- Swim diapers are required for children who are still in diapers. If these children do not have swim diapers, they are not allowed to go in the pool
- There must be one adult (person 17 years or older) present for each child in the pool under the age of 7 (i.e. if there are 2 children in the water under the age of 7, there must be two adults that are responsible for the children in the water as well)
- The same one child per adult rule applies for children over the age of 7 who have not passed their swim test
- Children over the age of 7 (and under the age of 17) are required to pass a shallow end swim test and a deep end swim test:

Shallow End Test: Participants are required to swim with their head above water for the width of the pool

Deep End Test: Participants are required to swim front crawl with their head above water for the length of the pool (alongside the wall)

- Judgment, as to whether a participant has passed or failed the swim test, is determined by the lifeguard that is monitoring the test

- **** Please Note:** all non-residents (or persons who seem unfamiliar with our pool policies) should be handed a "Waterford Town Pool Policies" pamphlet. All non-residents must initial that they have seen and read the information given to them and agree to comply.

If these non-residents or persons unfamiliar with the pool policies, fail to follow the pool rules they will be told to leave and will not receive their money back.
