

**Town of Waterford  
Planning Board  
65 Broad Street  
Waterford, NY 12188**

**Minutes of March 10, 2008**

The meeting was cancelled due to a lack of a quorum. Only Mr. Woodin and Mr. Wendth were available to attend. Members Fletcher, Fusco, Lefebvre and Hurst were all “out of town”.

Chairman Woodin went to the meeting site in case anybody from the public happened to show up. The only item on the agenda was to set a public hearing date for the Walters’ subdivision on 228 Fonda Road. The surveyor for the project had been notified earlier in the day that the meeting would not be able to be held due to a lack of a quorum.

Three people eventually appeared and asked Mr. Woodin about the status of the subdivision. They included a potential buyer for the house at 228 Fonda Road followed by the Real Estate agent for the subdivision and finally Mr. Walters. Each of the gentlemen were given an update and told that a special meeting would be held the following Monday (March 17<sup>th</sup>) to set a public hearing date on April 14<sup>th</sup>.

After the questions were answered, the Chairman stayed until 8:05 PM before leaving.
